**ONWARD** shown on a 25' Movie Screen.

Snacks - TBD per CDC Guidelines

## Municipal Court

As the saying goes, "All good things must come to an end." After 23 years of excellent service to our Village, the Hon. John L DeWane has hung up his robe as our Municipal Court Judge. Change is inevitable so our court begins its next phase with a new Judge and a new Court Clerk. Please join us in welcoming Michelle Firchow as our next Court Clerk. Michelle brings 6+ years of experience as a Municipal Court Clerk and an abundance of work experience in both the private and public sector. Perry Kingsbury is our new Municipal Court Judge. He hung up his badge and gun four years ago as the Village Police Chief and now has picked up his gavel and robe and is ready to go to work again in service to our Village.

The court is working diligently to reopen in a manner that is safe for everyone. We will hold virtual court via the Zoom Meeting App in July and we are exploring other options going forward. There is a web page on the Village's web site for Municipal Court where we will be expanding information currently there. The court will also be establishing a Facebook page. All of this is intended to inform folks as much as we can about their Municipal Court. We look forward to working with the public on this next phase of your Municipal Court.

*Perry D Kingsbury  
Municipal Court Judge*

## ANNUAL BOAT LAUNCH PASS

Available @

**Wrightstown Village Hall**

**Original Sticker \$35**

**Senior Sticker \$30**

**Additional Stickers \$5**

**Pick up after your Dog,

## DO I NEED A BUILDING PERMIT?

### Building Permits are required for the following:

- New Construction • Additions • Remodels • Decks • Gazebos
- Garages • Sheds • Porches • Fences • Signs • Roofs • Siding
- Windows • Pools • Hot Tubs • Plumbing • HVAC • Electrical

**Note: This Is Not An All Inclusive List**

If you question whether you need a permit, please call  
Paul Birschbach Inspection @ 920-378-2857

**Failure To Obtain A Permit Could Result In Penalties**

## Click It or Ticket - FACT SHEET/TALKING POINTS

From the Wisconsin DOT, Division of State Patrol,  
Bureau of Transportation Safety

Greg Deike  
Police Chief

### Seat belts save lives and prevent serious injuries

Consistent seat belt use is the single most effective way to protect motor vehicle occupants from being injured or killed in a crash. Air bags are an important safety enhancement, but only seat belts can prevent motorists from being ejected or thrown around violently inside a vehicle during a crash.

### More people are buckling up but there's room for improvement

The good news is Wisconsin's seat belt use rate is at its highest ever: 90.2 percent. Still, too many motorists fail to buckle up and are needlessly injured and killed in crashes. In 2019, 44 percent of car and light truck occupants killed in Wisconsin traffic crashes were unbuckled.

Looked at another way: currently in Wisconsin, about 10 percent of motorists fail to buckle up. Yet, this relatively small group accounts for nearly half of the drivers and passengers killed in car/truck crashes in Wisconsin every year.

### Wisconsin seat belt laws

Last year (2019) marked the 10-year anniversary of Wisconsin's "primary enforcement" seat belt law (allows law enforcement to stop/cite a motorist solely for not buckling up). Drivers can also be cited for every unbuckled passenger in their vehicle.

Since the primary enforcement law took effect on June 30, 2009, Wisconsin's seat belt use rate has increased from 74 percent (in 2009) to over 90 percent (today). Last year (2019) in Wisconsin, there were 41,654 traffic convictions for failure to wear a seat belt.

## Public Works Department

Andy Vickman  
Superintendent  
920-532-0434

### Annual Water Main Flushing Notice

Water main flushing will occur Monday, August 3rd - Wednesday, August 5th. Flushing removes natural minerals such as iron and calcium, which are harmless, but may discolor water. Check your water for clarity before washing clothes. If water looks discolored, flush through with cold tap water only.

### Lawn/Weed Control

Our ordinance - Chapter 130-3 states that weeds/grass/vegetation over 12" on a vacant lot and 8" on a developed lot constitutes a public nuisance. If it is determined that the height of weeds, grasses or other vegetation exceeds the limits, the DPW Staff will cut the noxious weeds, grasses or vegetation and charge the expenses to the property owner. We would like to thank the responsible property owners in the Village of Wrightstown for helping us make the community so beautiful.

### Yard Waste

Branches and brush are chipped curbside on recycling Thursdays. Grass clippings, leaves, and garden waste are accepted at the compost site located on Van Dyke Street. **Please do not place your yard waste in your garbage or recycling cart. Banned from WI landfills since 1993, placing yard waste in your refuse container violates WI State Statutes Chapter 287 and Wrightstown Municipal Code Chapter 165.** Responsible dumping and efforts of tidiness are appreciated to ensure longevity of the site and to help with maintenance costs associated with the compost site. Contractors working in the village are not allowed to dump at the site, as are no branches allowed at the compost site. The solid waste container that is located at the site is for disposal of garbage bags used to transport leaves and grass clippings. Please empty all bags as it is unacceptable to leave grass clippings or leaves in bags.

### Deduct Meters

Meters are available to customers in permanent or fixed installation as well as portable or temporary. These meters measure water that is used outside the home where sewer treatment of the water is not needed. This measured water amount is deducted from the sewer charge. There is an installation fee for permanent meters as well as a quarterly charge. The portable meters accrue charges by the month for the time it is rented. These meters are available upon request at the Utilities Department. Please contact the office at 920-532-0434 to pick up a portable meter or requirements for a permanent one.

***Please keep grass clippings and leaves out of the streets!***

## Fire Department

Welcome to Summer from everyone at the Fire Department. As we certainly are enjoying a much different time of life compared to last year, rest assured the members of the Fire Department are ready to respond if needed. We have made many changes to our routine to keep everyone safe. We want to remind everyone that the Village has an ordinance on fireworks, please keep yourself aware. While you enjoy your fire pit, please keep it under control. We will be keeping you updated on future events with the department as we move forward in 2020.

*Wishing you all a safe and enjoyable summer!*
