Motion made by K Wendlandt with a second made by S Byers to approve the Committee of the Whole Meeting Minutes from Tuesday, July 20, 2021. **Motion carried.**

On Tuesday, July 6, 2021, the Village Board approved changing the trail running from the Wastewater Treatment Plant to Mallard Road from 5' wide poured concrete to 10' wide asphalt. However, residents along CTY ZZ do not want asphalt and have indicated a preference for the narrower concrete option. Administrator Coenen suggested that the 5' poured sidewalk be considered to lessen the impact on property owners. If it is ever decided to have the trail extended north past Mallard Road, into the Town of Rockland, the Village could consider widening our portion then. The trail could also be completely eliminated. The decision will need to be made later in the evening to accommodate Brown County's schedule. Concrete installation would be covered by the Village. Suggestion was made by Trustee Dan Segerstrom that maybe a 10' gravel path be looked into to save on costs until utilization is determined

Motion made by S Byers with a second made by D Segerstrom to adjourn at 6:16 p.m.
