CTH DD/Broadway Street
Reconstruction

NOTICE OF ROAD WORK

Project Limits:

Reconstruction of CTH DD/Broadway Street from CTH U to Polar St. Please see the map on the reverse side of this flyer.

Project Description:

The project will include full reconstruct of the roadway, change in profile to accommodate the future rail crossing, urbanization, and multi-use path on the north side of the roadway

Schedule:

Construction is anticipated to begin the week of August 12, 2024 and is anticipated to be completed by December 1, 2024.

Additional Information:

We are dedicated to causing as little impact to you as possible however, there will be traffic impacts and noise caused by construction activities.

Access to your residence/businesses will remain open during the project. **CTH DD/Broadway Street** from CTH U to Poplar Street will be **CLOSED TO THRU TRAFFIC** for the duration of the project. All traffic needs to stay on the approved detour route which is **STH 96**, unless accessing businesses or residents on **CTH DD**.(see attached map) Access to **Quality Court** will be from **CTH U**. If you have issues accessing your residence business, please discuss with the village's representative listed below.

Thank you in advance for your patience and cooperation throughout the duration of this project.
