**Renting a room or your house for a weekend, Packers Game, EAA, or NFL Draft?**

The Village of Wrightstown adopted an ordinance on 11/1/2022, requiring properties being rented for a fee, for fewer than 30 consecutive days, to obtain a STRP (Short-Term Rental Permit), as defined by Wisconsin State Law. The permit will run from July 1-June 30. Applications submitted after the deadline are subject to late fees. Failure to obtain a permit will result in citations and/or penalties.

For more information, please visit:  
[Short Term Rental Info - Village of Wrightstown](https://wrightstown.us/short-term-rental-property-info/)

**Parking of Recreational Vehicles Ord. No. 206.53**

Village Ordinance No. 206.53 Prohibits the parking of campers, motorhomes, boats or canoes and their trailers, personal watercraft and their trailers on your property from November 1 through March 31 unless it is parked inside an accessory private garage or building. Please be sure to have them removed from your property before November 1st. For more information on the ordinance, please visit <https://ecode360.com/WR1772> which has all the Village Ordinances.

Director of Public Works

### Sump Pump Discharge

Reminder – From November 1<sup>st</sup> to March 31<sup>st</sup> every homeowner who has a sump pump discharge through a curb-cut or a hose that discharges directly to the curb & gutter will have to redirect the discharge elsewhere on the homeowner's property.

### Curbside Chipping/Yard Waste Disposal

The last day for curbside branch chipping is November 2nd. The Village's Yard Waste/Compost Site located at **\*NEW LOCATION - 886 Mallard Rd\*** will remain open for disposal of grass clippings, leaves, garden waste as well as branches/brush (no larger than 4" diameter) until weather permits. Please dispose of waste in proper bins as well as following the standard guidelines. Stumps/roots, fire wood, stones, dirt are not accepted. If using plastic bags or bins to transport waste, please empty and properly dispose of the bags.

The village is not able to offer curbside pickup of leaves, but watch in upcoming newsletters for curbside Christmas tree pick up dates.

### Winter Reminders

The winter season will soon be here. As the temperatures start to drop and the snow falls, here are a few guidelines to keep in mind that will make the season safe for the community:

❄️ For pedestrian safety, all sidewalks are to be cleared of snow and ice by the property owner within 24 hours after a winter event.

❄️ Shoveling, blowing, or plowing your snow into the street makes it unsafe for automobile traffic. It also violates Village ordinance and adds to the expense (your cost) of snow removal operations.

❄️ Winter Street Parking - From November 1<sup>st</sup> to March 31<sup>st</sup>, on-street parking is prohibited from 2:00am to 6:00am. Those found in violation are subject to a fine. If there would be a snow emergency declared in the Village of Wrightstown, there shall be no parking on Village streets until the snow emergency has been rescinded.

❄️ If you see a village or county snow plow in your area, please yield to them. The snowplow operators are constantly maneuvering back and forth to clear the snow, and as a result, may not see you. Please give them the room they need to safely and efficiently clean the road. In addition, please do not park vehicles on the road after a snowfall. Plowing around a parked vehicle requires the operator to come back at a later time, which is not efficient use of your taxpayer dollars. Your cooperation is greatly appreciated.

❄️ Adopt a Hydrant - The village has close to 300 fire hydrants throughout the community to help ensure our residents safety. We ask the community to partner with us by adopting a fire hydrant close to your home or business and keeping it clear of snow. In the event of a fire emergency, clear access to a hydrant is critical. Minutes count!

❄️ For your protection, please remove all outside garden hoses and shut off your outside water taps to prevent freezing. It's a good practice to periodically check your exterior and interior water lines and fixtures to ensure no leaks are taking place. Any water losses on your property are your responsibility and will be billed accordingly, no adjustments will be considered.

❄️ If you rented a seasonal deduct meter, please don't forget to return the meter back to the Water Utility department.

## Village of Wrightstown Trick or Treat Hours:

Thursday,  
October 31st  
4:00–7:00 pm

### Wrightstown Fire Department

Open House - Sunday 10/6 @ Village Hall due to construction on Broadway.  
11am - 2pm Food, Beverages, Fire Trucks, Eagle III (if available), Kids Bouncy House & Meet your local Firemen!

Fall Back on clocks = Replacing batteries on your Smoke & CO Alarms! Also, check the expiration dates, it may be time to replace expired alarms. Units expire after 5-7 years. If your alarm has expired, replace it soon, as it may save your life, and eliminate false alarms in the middle of the night or during family gatherings.

Watch for trucks during October at the schools for Fire Safety Awareness Education.

If you are interested in joining the Fire Department, join us at the Open House to fill out an application.

Mike Schampers  
Wrightstown Fire Chief  
Fire Dept Phone (920) 532-4558
